**optional pre-/post- rounds*

After three successful TurfNet Members' Trips to Ireland, we decided to keep it stateside for 2012 and play the closest thing to Irish links golf in North America: Bandon Dunes.

Here's the deal: Get yourself to Bandon by car, carpool, van, covered wagon, helicopter or private jet. We'll facilitate grouping if multiples are coming from one area.

We will be staying on property in either double Chrome Lake rooms or single Chrome Lake lofts (with private baths, sharing a sitting area with fireplace). Two dinners, a pub night at McKee's Pub, and various premium items from sponsors are included.

Make the most of your trip by extending on either side to play [Eugene Country Club](#) and/or [Stone Creek Golf Club](#). See details on reverse.

Our target number is 32 golfers, reserved by receipt of deposit.

Itinerary:

Getting there... part of the "Bandon Experience"

The closest airport to Bandon is Southwest Oregon Regional Airport (OTH) in North Bend/Coos Bay, approximately 45 minutes away by car. Since the options for flying into OTH are limited (United from San Francisco/SFO and Portland/PDX), many of those traveling to Bandon fly into Portland or Eugene and drive south to Bandon (5 hrs from Portland, 3 hrs from Eugene).

To sweeten the deal and buffer the travel hassles, we have arranged for golf near Portland on the front side and Eugene on the back end for a minimal extra expenditure.

Another option is to drive north from San Francisco (~9 hrs) or Sacramento (8.25 hrs).

We will help coordinate ride-sharing from either direction for those so inclined. What better way to enhance travel time than to swap stories, experiences and expertise with fellow TurfNet members!

Deluxe accommodations at Bandon's Chrome Lake cottages.

Arrive early and play Stone Creek Golf Club in Oregon City.

Stay another day and play Eugene Country Club.
