

*Renew and Protect
Golf Course Equipment*

Bunker Rake Handles,
Flagsticks, Stakes ... and more

VINYL **GUARD**[™] *golf*

Save time and money.

No more splinters. No more fading. No more painting.

VinylGuard shrink-wrap is the ultimate renewal and protection solution for golf course equipment

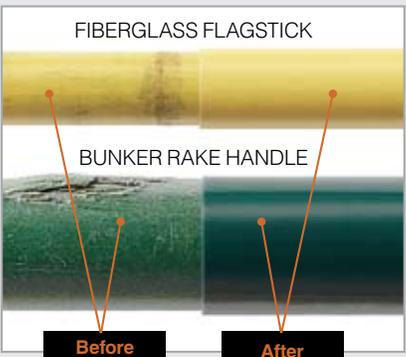

Apply a good-looking, better than new, low cost, exterior-grade vinyl covering in just minutes with a heat gun. Refurbish and extend the life of:

- > Flagsticks
- > Hazard Stakes
- > Out-of-Bounds Stakes
- > Yardage Markers
- > Bunker Rake Handles
- > Distance Posts
- > Ball Washer Posts
- > Sign Posts
- > And More

End the cycle of seasonal replacements and maintenance with VinylGuard

VinylGuard will not fade, splinter, crack, nick, scratch or stain. It provides years of tough protection against damage from abrasion, exposure to sunlight, lawn chemicals and the elements — eliminating the need for expensive and frequent maintenance.

- > **5-Year Limited Warranty**
- > **Low Cost**
 - A 250-foot spool covers 50 rakes for less than \$3 a handle
 - A 250-foot spool covers 30 half-inch flagsticks for less than \$3 a flagstick

“

EVERYONE'S TALKING ABOUT VINYLGUARD:

“THE PRODUCT IS ONE OF THE BEST THAT I HAVE SEEN IN YEARS. We have done all of our rakes (300) in green and two spare sets of tournament poles. They came out amazing. We may never buy new flagsticks again, just replace the ferrules.”

— **Brian Benedict, The Seawane Club, Hewlett Harbor, NY**

“No more scratched paint on flagsticks. **BETTER THAN REPAINTING.** It eliminates fiberglass splinters too. You can also use it on the handles of shovels and rakes.”

— **Comment on TurfNet**

“The flagsticks were scratched and looked worn, probably from bouncing around in carts. Took shrink-wrap, heated it up, done. **PERFECT, NO MORE SCRATCHES AND NO SIGN OF DAMAGE.**”

— **Comment on TurfNet**
