

Jason Cox

As an upcoming graduate I'm very excited to start my career as a golf course superintendent, as I will be able to take what I learned from the classroom and apply it to the job. I'm interested in the assistant superintendent role of some sort. Assistant in training or second assistant. I have four seasons of experience.

EXPERIENCE

Internship, Jester Park Golf Course

Spring 2020–Winter 2020

Mowed greens, tees, collars and approaches. Edged bunkers, irrigation leak repair, pruning and trimming of trees. Cut cups, mowed rough. **Mechanics:** grinded reels, tightened and loosened reels, greased reel units.

LANGUAGES

English.

Group Leader, The Salt Company, Cornerstone Church, Ames Iowa

Fall 2019- Spring 2020

Led a group of eight to ten people on a weekly basis. Leader of connection groups. Worked directly with church administration, attended weekly meetings.

Veenker Memorial Golf Course, Iowa State University

March 2019- August 2019

Mowed greens, tees, collars and approaches. Maintained bunkers, edging, de-weeding etc. Irrigation trouble shooting and repair. Use of all small engine machines. Cut cups and changed pin location. Hand-watered greens. Construction and repair of dead spots on course, an example: laying and cutting sod.

Treynor Recreation Area

August 2017- August 2018

Mowed greens, tees, collars and approaches, fairways and rough. Bunker maintenance. Basic equipment maintenance (changing oil, checking tire pressure). Drove tractor. Completed trimming trees, and cutting down trees.

EDUCATION

Landscaping, Horticulture and Turf Concentration, Des Moines Area Community College

Fall 2019- Fall 2020

Learning about the production, performance, quality and maintenance of turfgrass in golf courses, residential landscapes, commercial landscapes, farms, parks, athletic fields, and recreation areas. Landscape construction of school projects. Courses included: irrigation systems and repair, landscape construction, turfgrass maintenance, soil science, soil fertility, arboriculture, turfgrass science, horticulture, and state of Iowa pesticide license.

General Studies, Iowa Western Community College

Fall 2017- Spring 2018

Strengths and interests: Very social person. Fast hands on learner. Strong in my faith. Love all things outdoors, fishing golfing and running.
