---

## QUALIFICATIONS

- Turned Elma Meadows from a low-grade public course to the 3<sup>rd</sup> ranked public course in Western New York.
  - Oversaw two total course irrigation installations. One of which included pump house reconstruction.
  - Knowledge of soil chemistry, disease, environmental stress control, and effective integrated pest management.
  - Experience working with White and Blue collar union workers.
  - Qualified New York State Pesticide Applicator in the 3A Category.
  - Operating ability with skid steer, forklift, front-end loader, snowplow, and all other course equipment.
  - Advanced knowledge of the Spanish language
- 

## PROFESSIONAL EXPERIENCES

**Elma Meadows Golf Club and Park, Erie County, NY Parks and Recreation:** Elma, NY

*Superintendent*, April 2015 - Present

- Designed and implemented a tee box restoration project where every current tee box is to be re-graded and new low-mow Kentucky Bluegrass sod installed, plus the addition of 15 forward tee boxes installed.
- Oversaw installation of total HDPE irrigation system with Infinity heads by TORO/Grasslands.
- Orchestrated and carried out complete core aeration and over-seed/fertilization of fairways.
- Added over 8 acres of “natural long grass” areas to distinguish each hole and add to playing conditions.
- Established an improved mowing pattern to accommodate a crew of less than four employees per day.
- Worked as a mechanic at clubhouse, public park, and all golf course equipment: perform daily adjustments, grease mowers along with completing major repairs to equipment.
- Perform grounds keeping/maintenance duties, chemical applications of fertilizers, growth regulators, wetting agents, and pesticides.

**Lancaster Country Club:** Lancaster, NY

*Assistant Superintendent*, April 2013 –March 2015

- Helped to oversee, manage, and plan the full course installation of a TORO irrigation system.
- Assisted the install of XGD Drainage in three greens.
- Involved in the installation of a new irrigation system and the restoration of all bunkers on the course.
- Aided in the decision making of new sand and shapes for a full course bunker renovation project.
- Oversee the daily activities and make critical job decision with the crew.
- Work directly with course superintendent to create ways to enhance course aesthetics and playability.

**Essex County Country Club:** West Orange, NJ

*Assistant Superintendent*, April 2012 – March 2013

- Mix, calibrate, and apply chemicals for greens, tees, and fairway applications.
- Worked to maintain large “native areas” of fine fescue located throughout the course.
- Repaired club house and golf course grounds after Hurricane Sandy.
- Complete course setup, make pin locations, and take soil samples.

**Golf Club of Houston, Tournament Course:** Humble, TX

*Intern*, January 2011-May 2011, *Apprentice*, January 2012-April 2012, *Volunteer*, 2013 Shell Open Tournament

- Worked for preparation of the Shell Houston Open PGA Tournament.
- Main responsibility during the tournament: oversee, record, and adjust the moisture levels, and insure moisture uniformity of the greens and practice facilities using moisture meters.

**Seawane Country Club:** Hewlett Harbor, NY

*Intern*, May 2011- October 2011

- Worked on aspects of golf course management and maintenance.
  - Helped to prepare and repair the golf course after significant damage from Hurricane Irene.
-
