Objective:

To obtain a reliable, enriching and challenging career that maximizes my potential and utilizes my skills; allowing me to make a significant contribution to the successful maintaining and upkeep of a recreational golf course.

Skills:

- Proficient in daily golf course maintenance, course modifications and cleanup.
- Knowledgeable of the multiple facets of the day-to-day inner workings required for upkeep, business and development required for a recreational golf course to be successful.
- Thorough, attentive and timely worker.
- Demonstrates ability to develop a good rapport with others.

Honors:

- 2021-2022 Member of the East Mississippi Community College Golf Team
- Obtained Eagle Scout Rank in Boy Scouts of America in May 2019.
- Lifetime Member of NESA.
- National Youth Leadership Training Certified.

Education:

- Pursuing a Degree in Recreational Turf and Golf Course Maintenance and Management from East Mississippi Community College in Scooba, Mississippi at the Lion Hills Campus located in Columbus, Mississippi
 - August 2021-Present (Will Graduate in December 2022)
 - Unofficial Transcripts at end of this resume.
- Completed Two Semesters of Basic Coursework at Central Alabama Community College in Childersburg, Alabama
 - January 2021-August 2021
- 2020 Graduate of Fayetteville High School, Sylacauga, Alabama
- 2 Years of Law and Public Safety Coursework in High School

Relevant Work Experience:

- The Reserve at Moonlight Basin, Big Sky, Montana (Summer Intern)
 - May 9, 2022-August 4, 2022
 - This practicum has given me the opportunity to experience a completely different type of golf atmosphere and course environment. Whereas I have had more in-depth experience with Bermuda and Zoysia and Centipede

grasses on southern courses, Moonlight Basin offers Kentucky Bluegrass for the tees, fairway and rough and Bent Grass for greens.

- During this internship I have utilized various equipment for the diverse landscape. Machinery I have experience with from this opportunity include: John Deere Gator TXS, John Deere Walk Mowers for tees and greens, Toro and John Deere Spray Rigs, John Deere Fairway Units, Anderson fertilizer spreaders, and a Toro sidewinder for the rough.
- Lion Hills Golf Course, Columbus, Mississippi
 - August 2021-May 2022
 - One of three on maintenance crew that were in charge of: mowing greens in different directions on scheduled days to change the way the ball rolls on the green, utilizing the SandPro to rake and level the surface of the bunkers, mow collars to create the 20 foot outward circle around the green, employ zero turn mower to ensure the green is of proper height and daily machinery cleaning/upkeep.
 - Implemented the following equipment: Jacobsen Riding Greens Mower, SandStar SandPro, Jacobsen Fairway Unit, Xmark Zero Turn to mow tees, and Club Car Work Cart
- Robert Trent Jones Golf Trail at Ross Bridge, Hoover, Alabama
 - February 2021-August 2021
 - Oversaw the maintenance and upkeep of holes 10, 11 and 12. This included: edging bunkers and cart paths, ranking bunkers, moving greens and tees, moving and cleaning tee markers.
 - Utilized the following equipment: Toro GT Workman, Toro Greens Mower and Toro Tee Mower.
- FarmLinks Golf Course at Pursell Farms, Sylacauga Alabama
 - July 2020-February 2021
 - Worked to maintain greens and course properties. Assignments included raking bunkers, mowing greens, collecting trash, brush cleanup, and weekly course modifications.

Other Work Experience:

- TempForce
 - June 2020-July 2020
 - Worked at Parker making fuel filters for aeronautical purposes.
- Greater Alabama Council BSA, Hugh M. Comer Scout Reservation
 - Summer 2018 and Summer 2019
 - Worked for 7 weeks each summer as a camp counselor leading and instructing scouts ages 11-15 who were attending and participating in the Eagle Bound program.
